

**2021 ANNUAL MEETING OF SHAREHOLDERS
OF
TEGNA INC.**

**PROXY STATEMENT
OF
STANDARD GENERAL L.P.**

April 1, 2021

To Our Fellow Shareholders of TEGNA Inc.:

We are furnishing this Proxy Statement to holders of the common stock, par value \$1.00 per share (“Common Stock”), of TEGNA Inc. (“TEGNA” or the “Company”), in connection with our solicitation of proxies for use at the 2021 Annual Meeting of Shareholders of the Company scheduled to be held via a live webcast on May 7, 2021, at 8:00 a.m. and at any and all adjournments, continuations or postponements thereof (the “Annual Meeting”).

This solicitation is being conducted by Standard General L.P. (“Standard General”), Standard General Master Fund L.P., David Glazek, Soohyung Kim, Daniel Malman, Amit Thakrar and Stephen Usher (collectively, and together with Standard General, the “Standard General Parties” or “we”), as well as Colleen B. Brown, Carlos P. Salas and Elizabeth A. Tumulty (collectively, the “Standard General Nominees”). As of the date hereof, Standard General beneficially owns an aggregate of 15,375,927 shares of Common Stock, representing approximately 7.0% of the shares of Common Stock, as reported to be outstanding by the Company as of March 12, 2021, in its capacity as the investment manager to various private investment vehicles, including Standard General Master Fund L.P., which is the record owner of 100 shares; Soohyung Kim, our founding partner, may be deemed to indirectly beneficially own the shares of Common Stock beneficially owned by Standard General. As more fully discussed in this Proxy Statement, we are soliciting proxies to be used at the Annual Meeting for the election of each of the Standard General Nominees and the candidates who have been nominated by the Company other than David Lougee, Howard Elias, and Neal Shapiro. This gives stockholders the ability to vote for candidates to fill each of the twelve (12) seats up for election at the Annual Meeting.

**THIS SOLICITATION IS BEING MADE BY THE STANDARD GENERAL PARTIES, AND NOT
ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY.**

We are seeking to change a minority of the Company’s Board of Directors (the “Board of Directors” or the “Board”). In 2019, we made a substantial investment in the Company, becoming one of TEGNA’s largest shareholders. We invested in TEGNA because of our conviction that TEGNA should be the premier pure play local affiliate broadcasting company. TEGNA has a leading portfolio of local affiliate television broadcasting stations and is the largest owner of Big 4 affiliates in the top 30 markets. Given the quality of its assets, we believed that TEGNA should be delivering best-in-class performance, and commensurate shareholder returns.

In January 2020, Standard General nominated five highly qualified candidates (one of whom subsequently withdrew) for election to TEGNA’s Board of Directors. At TEGNA’s 2020 annual meeting held on April 30, 2020, all of TEGNA’s nominees were reelected.

During the past year, Standard General has monitored TEGNA’s performance closely. Since Standard General shared its ideas with the Company for various strategic and operational improvements, TEGNA’s management team has ceased its previously value destructive acquisition program and taken steps to address its operational underperformance. As a result, its relative share price performance has improved after years of relative underperformance. We believe TEGNA continues to have potential for significant improvements in financial performance and shareholder value creation, and needs to continue to diversify its Board to promote diversity, equity and inclusion and to reflect more closely its audience. We believe TEGNA is currently at a key inflection point and improved oversight is essential to oversee its next stage of growth. Consequently, we are nominating three diverse, highly qualified and independent candidates to the TEGNA Board. As TEGNA’s largest active shareholder — we own approximately 10.7 times as many shares as the current Board and management combined — we are disappointed that, once again, TEGNA has rejected our nominees in favor of preserving the status quo.

We believe that the addition of our three highly qualified, diverse and independent nominees to the TEGNA Board is a critical step to ensure that TEGNA sharpens its focus on driving improvements in operations and maximizing value for all shareholders. Unlike the current Board, which does not have a single independent director with operational experience in local affiliate television broadcasting, two of our nominees have significant operating experience in the local affiliate television broadcasting industry. Our nominees have backgrounds spanning strategic planning, finance, M&A, and technology and, collectively, have decades of experience as officers, directors and advisors of publicly-traded companies. Our nominees are committed to rigorous oversight of TEGNA's management, operations and business strategy. Equally importantly, with the addition of our nominees, TEGNA's Board would be significantly more diverse and would more closely reflect its audience. Moreover, as discussed below in this proxy statement, we have significant concerns arising from a 2014 incident involving David Lougee, the Chief Executive Officer of TEGNA, and a fourth Standard General nominee (who subsequently withdrew from consideration) who is an African American, and the TEGNA Board's response to those concerns. In the past year, leading institutional investors -- including several of the Company's largest shareholders -- have publicly called for listed companies to enhance diversity, equity and inclusion in their organizations and in their boardrooms. TEGNA's upcoming annual meeting provides those investors an opportunity to demonstrate their commitment to these principles.

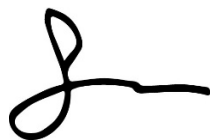

We are seeking your support to elect the Standard General Nominees and the candidates who have been nominated by the Company other than David Lougee, Howard Elias, and Neal Shapiro. This will enable TEGNA's shareholders to vote on the **WHITE** proxy card for candidates to fill each of the twelve seats up for election at the 2021 Annual Meeting. More information about our candidates is contained in the enclosed proxy statement. The names, background and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if the Standard General Nominees are elected.

This Proxy Statement is first being sent or given to shareholders on or about April 1, 2021. If your shares are held in your own name, please authorize a proxy to vote by signing and returning the enclosed **WHITE** proxy card in the postage-paid envelope provided or by instructing us by telephone or via the Internet as to how you would like your shares of Common Stock voted (instructions are on your **WHITE** proxy card).

If your shares are held in the name of a brokerage firm, bank or other custodian, only that firm can vote such shares and, with respect to the election of directors, only upon receipt of your specific instruction. Accordingly, we urge you to contact the person responsible for your account and instruct that person to execute the **WHITE** proxy card on your behalf. Please follow any voting instructions provided by your bank, brokerage firm, dealer, trust company or other nominee.

Thank you for your support,

Sincerely,

Soohyung Kim
Founding Partner
Standard General L.P.

BACKGROUND OF THE SOLICITATION

Standard General L.P. is a New York City-based SEC-registered investment advisor that manages event-driven opportunity funds. Standard General was founded in 2007. Its principal business is to manage capital for public and private pension funds, endowments, foundations, and high net-worth individuals. Standard General was founded by Soohyung Kim, who is currently our Chief Executive Officer, Managing Partner and Chief Investment Officer.

In 2019, Standard General made a substantial investment in the Company, becoming one of TEGNA's largest shareholders. We invested in TEGNA because of our conviction that TEGNA should be the premier pure play local affiliate broadcasting company. TEGNA has a leading portfolio of local affiliate television broadcasting stations and is the largest owner of Big 4 affiliates in the top 30 markets. Given the quality of its assets, TEGNA should be delivering best-in-class performance, and commensurate shareholder returns.

In January 2020, Standard General nominated five highly qualified candidates for election to TEGNA's Board of Directors (one of whom subsequently withdrew due to a potential conflict of interest). After brief interviews with two of our four nominees, TEGNA declined to add any of our highly qualified nominees to its Board. Accordingly, we solicited proxies for the election of our nominees to the TEGNA Board at TEGNA's 2020 annual meeting. TEGNA's 2020 annual meeting was held on April 30, 2020, and all of TEGNA's nominees were reelected.

During the past year, Standard General has monitored TEGNA's performance closely. Since Standard General shared its ideas with the Company for various strategic and operational improvements, TEGNA's management team has ceased its previously value destructive acquisition program and taken steps to address its operational underperformance. As a result, its relative share price performance has improved after years of relative underperformance. We believe TEGNA continues to have potential for significant improvements in financial performance and shareholder value creation, and needs to continue to diversify its Board to promote diversity, equity and inclusion and to reflect more closely its audience. We believe TEGNA is currently at a key inflection point and improved oversight is essential to oversee its next stage of growth. Consequently, in January 2021, we nominated four diverse, highly qualified and independent candidates for election to the TEGNA Board.

In February 2021, the Nominating and Corporate Governance Committee of the TEGNA Board and TEGNA's executive search firm conducted interviews with three of our nominees. On March 3, 2021, our fourth nominee, Adonis E. Hoffman, notified us that he was withdrawing from consideration as a nominee to the TEGNA Board. Mr. Hoffman furnished to us a copy of a letter of withdrawal sent to TEGNA's Board and executive search firm on the same day, which cited as reasons for Mr. Hoffman's withdrawal potential conflicts of interest and a 2014 incident involving David Lougee, TEGNA's Chief Executive Officer. We disclosed Mr. Hoffman's withdrawal in an SEC filing on March 4, 2021.

According to a detailed written account furnished to TEGNA by Mr. Hoffman, Mr. Lougee was the guest speaker at an April 2014 Media Institute luncheon. At that event, Mr. Hoffman, who is African American, sat one seat away from Mr. Lougee at the head table and conversed with Mr. Lougee during lunch. Subsequent to the lunch, Mr. Lougee gave a speech. Mr. Hoffman was the first member in the audience to ask Mr. Lougee a question after his prepared remarks. After the event concluded, as Mr. Hoffman waited at the hotel entrance for a taxi, Mr. Lougee approached Mr. Hoffman, handed him his valet ticket and asked Mr. Hoffman to fetch his car.

Neither at that time, nor at several subsequent encounters, did Mr. Lougee apologize for his treatment of Mr. Hoffman-- indeed, at their next encounter a few months later, in the presence of two other prominent broadcast executives, Mr. Lougee denied the incident occurred. According to Mr. Hoffman's detailed written account, later the same afternoon Mr. Hoffman again encountered Mr. Lougee, who asked Mr. Hoffman "What do I have to do to make this go away? How much do I have to pay you?"

Mr. Hoffman first informed Standard General of this incident on February 23. Standard General learned of Mr. Hoffman's withdrawal from consideration at the same time the TEGNA Board was notified on March 3. Standard General was not able to add an additional nominee in place of Mr. Hoffman as the nomination window had closed.

On March 8, 2021, we wrote a letter to the TEGNA Board expressing our concerns regarding Mr. Lougee's behavior and requesting a thorough, independent investigation. The reasons for Mr. Hoffman's withdrawal were revealed publicly in a Wall Street Journal article published on March 8, 2021. The next day, the TEGNA Board issued a letter to stakeholders announcing that it had conducted a review of the incident described in Mr. Hoffman's letter. The TEGNA Board stated that no information had come to its attention suggesting that Mr. Lougee had ever been accused of any incident of a similar nature.

According to the Company's public disclosure, the review overseen by the TEGNA Board consisted of: an interview of Mr. Lougee by the TEGNA general counsel; interviews of Mr. Lougee by directors; the engagement of an outside law firm to conduct one interview with Mr. Lougee; and a review of Mr. Lougee's personnel file by TEGNA's head of human resources, all of which appear to have occurred between March 4 and March 8, 2021.

On March 10, 2021, TEGNA informed us that it had determined not to recommend election of any of our nominees. According to TEGNA's proxy statement, the TEGNA Board made this decision on March 4, 2021, the same day it received the letter from Mr. Hoffman and before the TEGNA Board had conducted any investigation into Mr. Lougee's conduct.

On March 16, 2021, 'Broadcasting+Cable' published an article, which disclosed a letter Mr. Hoffman sent to Mr. Lougee, where he noted that Mr. Lougee had never disclosed, or accepted any responsibility for, this incident until Mr. Lougee's public address to his employees the week prior. In this letter, Mr. Hoffman also expressed deep concern about Mr. Lougee's unconscious bias towards persons of color.

On the same day, according to 'Broadcasting+Cable', Mr. Hoffman also sent a letter to the TEGNA Board, stating that the integrity of the TEGNA Board's review of the incident involving Mr. Lougee was questionable, and expressing concern whether the Board had met its obligation as independent directors, noting that TEGNA did not contact Mr. Hoffman as part of the review; the review was conducted by TEGNA's General Counsel (who was hired by Mr. Lougee), the Chairman of the TEGNA Board (who has worked with Mr. Lougee for years), and a human resources officer (who reports to Mr. Lougee), and that the only independent party involved was an outside law firm that appears to have conducted one interview with Mr. Lougee. In our view, the "review" TEGNA claims to have conducted into this matter has been inadequate and calls into question whether the Board has met its fiduciary obligations.

REASONS FOR OUR SOLICITATION

We are seeking to change a minority of TEGNA's Board.

In 2019, we made a substantial investment in the Company, becoming one of TEGNA's largest shareholders. We invested in TEGNA because of our conviction that TEGNA should be the premier pure-play local affiliate broadcasting company. TEGNA is the most important local affiliate television broadcasting company not currently at the regulatory ownership cap and is the largest owner of Big 4 network affiliates in the top 30 markets. Given the quality of its assets, TEGNA should be delivering best-in-class performance, and commensurate shareholder returns.

In January 2020, we nominated five highly qualified candidates for election to TEGNA's Board of Directors (one of whom subsequently withdrew due to a potential conflict of interest). After brief interviews with two of our four nominees, TEGNA declined to add any of our highly qualified nominees to its Board. Accordingly, we solicited proxies for the election of our nominees to the TEGNA Board at TEGNA's 2020 annual meeting. TEGNA's 2020 annual meeting was held on April 30, 2020, and all of TEGNA's nominees were reelected.

During the past year, Standard General has monitored TEGNA's performance closely. Since Standard General shared its ideas with the Company for various strategic and operational improvements, TEGNA's management team has ceased its previously value destructive acquisition program and taken steps to address its operational underperformance. As a result, its relative share price performance has improved after years of relative underperformance. We believe TEGNA continues to have potential for significant improvements in financial performance and shareholder value creation, and needs to continue to diversify its Board to promote diversity, equity and inclusion and to reflect more closely its audience. We believe TEGNA is currently at a key inflection point and improved oversight is essential to oversee its next stage of growth. Consequently, in January 2021, we nominated four diverse, highly qualified and independent candidates for election to the TEGNA Board.

In February 2021, the Nominating and Corporate Governance Committee of the TEGNA Board and TEGNA's executive search firm conducted interviews with three of our nominees. On March 3, 2021, our fourth nominee, Adonis E. Hoffman, notified us that he was withdrawing from consideration as a nominee to the TEGNA Board. Mr. Hoffman furnished to us a copy of a letter of withdrawal sent to TEGNA's Board and executive search firm on the same day, which cited as reasons for Mr. Hoffman's withdrawal potential conflicts of interest and a 2014 incident involving David Lougee, TEGNA's Chief Executive Officer.

According to a detailed written account furnished to TEGNA by Mr. Hoffman, Mr. Lougee was the guest speaker at an April 2014 Media Institute luncheon. At that event, Mr. Hoffman, who is African American, sat one seat away from Mr. Lougee at the head table and conversed with Mr. Lougee during lunch. Subsequent to the lunch, Mr. Lougee gave a speech. Mr. Hoffman was the first member in the audience to ask Mr. Lougee a question after his prepared remarks. After the event concluded, as Mr. Hoffman waited at the hotel entrance for a taxi, Mr. Lougee approached Mr. Hoffman, handed him his valet ticket and asked Mr. Hoffman to fetch his car.

Neither at that time, nor at several subsequent encounters, did Mr. Lougee apologize for his treatment of Mr. Hoffman-- indeed, at their next encounter a few months later, in the presence of two other prominent broadcast executives, Mr. Lougee denied the incident occurred. According to Mr. Hoffman's detailed written account, later the same afternoon Mr. Hoffman again encountered Mr. Lougee, who asked Mr. Hoffman "What do I have to do to make this go away? How much do I have to pay you?"

Mr. Hoffman first informed Standard General of this incident on February 23. Standard General learned of Mr. Hoffman's withdrawal from consideration at the same time the TEGNA Board was notified on March 3. Standard General was not able to add an additional nominee in place of Mr. Hoffman as the nomination window had closed.

On March 8, 2021, we wrote a letter to the TEGNA Board expressing our concerns regarding Mr. Lougee's behavior and requesting a thorough, independent investigation. The reasons for Mr. Hoffman's withdrawal were revealed publicly in a Wall Street Journal article published on March 8, 2021. The next day, the TEGNA Board issued a letter to stakeholders announcing that it had conducted a review of the incident described in Mr. Hoffman's letter. The TEGNA Board stated that no information had come to its attention suggesting that Mr. Lougee had ever been accused of any incident of a similar nature.

According to the Company's public disclosure, the review overseen by the TEGNA Board consisted of: an interview of Mr. Lougee by the TEGNA general counsel; interviews of Mr. Lougee by directors; the engagement of an outside law firm to conduct one interview with Mr. Lougee; and a review of Mr. Lougee's personnel file by TEGNA's head of human resources, all of which appear to have occurred between March 4 and March 8, 2021.

On March 9, 2021, Mr. Lougee sent a letter to TEGNA employees - which we presume the Board approved. That letter omitted the critical context - that Mr. Lougee's offensive conduct took place after he sat with Mr. Hoffman at lunch -- and falsely stated that Mr. Lougee immediately apologized. While in his letter Mr. Lougee apologized to TEGNA employees for his "mistake," after 7 years Mr. Lougee still has not apologized directly to Mr. Hoffman.

On March 16, 2021, 'Broadcasting+Cable' published an article, which disclosed a letter Mr. Hoffman sent to Mr. Lougee, where he noted that Mr. Lougee had never disclosed, or accepted any responsibility for, this incident until Mr. Lougee's public address to his employees the week prior. In this letter, Mr. Hoffman also expressed deep concern about Mr. Lougee's unconscious bias towards persons of color.

On the same day, according to 'Broadcasting+Cable', Mr. Hoffman also sent a letter to the TEGNA Board, stating that the integrity of the TEGNA Board's review of the incident involving Mr. Lougee was questionable, and expressing concern whether the Board had met its obligation as independent directors, noting that TEGNA did not contact Mr. Hoffman as part of the review; the review was conducted by TEGNA's General Counsel (who was hired by Mr. Lougee), the Chairman of the TEGNA Board (who has worked with Mr. Lougee for years), and a human resources officer (who reports to Mr. Lougee), and that the only independent party involved was an outside law firm that appears to have conducted one interview with Mr. Lougee. In our view, the "review" TEGNA claims to have conducted into this matter has been inadequate and calls into question whether the Board has met its fiduciary obligations.

Over the past two Board election cycles, TEGNA has rejected all seven of the highly qualified, diverse and independent nominees of Standard General presented to TEGNA for its consideration. We are equally troubled by the TEGNA Board's failure to conduct a thorough investigation of serious allegations of racial bias by Mr. Lougee.

We therefore disagree with the TEGNA Board's decision to reject our nominees. We continue to believe that TEGNA can do better; and in view of the recent revelations regarding Mr. Lougee and the incumbent Board's response, we believe TEGNA has serious questions to answer regarding its commitment to the values of diversity, equity and inclusion (DE&I) it touts on its website and in its shareholder communications materials. We believe that the addition of our three highly qualified, diverse and independent nominees to the TEGNA Board is a critical step to ensure that TEGNA sharpens its focus on driving improvements in operations and maximizing value for all shareholders. Unlike the current Board, which does not have a single independent director with operational experience in local affiliate television broadcasting, two of our nominees have significant operating experience in the local affiliate television broadcasting industry. Our nominees have backgrounds spanning strategic planning, finance, M&A and technology. Collectively, they have decades of experience as officers, directors and advisors of publicly-traded companies.

Our nominees are committed to rigorous oversight of TEGNA's management, operations and business strategy. Equally importantly, with the addition of our nominees, TEGNA's Board would be significantly more diverse and would more closely reflect its audience. In addition, our nominees are committed to a thorough, truly independent investigation into potential systemic hiring and promotion practices that may discriminate against minority groups at TEGNA, particularly at the leadership and governance levels. In the past year, leading institutional investors -- including several of the Company's largest shareholders -- have publicly called for listed companies to enhance diversity, equity and inclusion in their organizations and in their boardrooms. TEGNA's upcoming annual meeting provides those investors an opportunity to demonstrate their commitment to these principles.

Our nominees are:

Colleen Brown, a highly experienced local affiliate television broadcasting executive who, among other things, served as President and Chief Executive Officer of Fisher Communications, Inc. from 2005 to 2013 and as a director from 2006 to 2013, culminating in the sale of the company to Sinclair Broadcast Inc.

Carlos P. Salas, a highly experienced public company executive who, among other things, has served as Chief Executive Officer and President of COR Clearing LLC from 2012 to 2019 (now AxosClearing LLC, a subsidiary of Axos Financial Inc.) and as a member of the Board of Directors for each of Williams Controls, Inc. and Tengasco Inc.

Elizabeth A. Tumulty, a highly experienced broadcasting executive who, among other things, served as President of Affiliate Relations for CBS Television Network from 2013 to 2016 and who served for five years on the board of directors of the National Association of Television Programming Executives (NATPE).

If elected to the TEGNA Board, the Standard General Nominees intend to focus on the following critical areas:

1. Conduct a detailed review of the business, operations and financial performance of TEGNA, including capital allocation priorities and an operational review to benchmark TEGNA's operations against best practices for local affiliate television broadcasting companies.
2. Hire an independent third-party to (i) conduct an investigation into the racial incident involving Mr. Lougee, (ii) evaluate the Company's ESG practices, including any systemic hiring or promotion practices that may discriminate against minority groups, particularly at the leadership and governance levels, and (iii) review other instances of discrimination that have occurred at TEGNA. The investigation should include outreach to Mr. Hoffman and any other parties the independent third-party deems appropriate. We believe that the investigation should be overseen by an independent committee of the Board and the key findings should be released publicly.
3. Evaluate TEGNA's management compensation practices. We note that Mr. Lougee's compensation increased 16% in 2020 despite (w) TEGNA's share price declining by 15% over the course of the year, (x) the CFO's compensation being reduced, (y) employees being furloughed, and (z) salary cuts for station employees.

See the section titled "Matters to be Considered at the Annual Meeting — Biographical Information Regarding the Standard General Nominees" for a description of our nominees' qualifications.

The Standard General Nominees recognize fully that as members of the Board they will owe fiduciary duties to all TEGNA shareholders and are committed to maximizing value for all TEGNA shareholders.

**WE STRONGLY RECOMMEND A VOTE FOR THE ELECTION OF
THE STANDARD GENERAL NOMINEES.**

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

Election of Directors

The Company's Board of Directors currently consists of twelve directors. Directors hold office until the Company's next annual meeting following their election or until their successors are elected and qualified, unless prior to that time they have resigned, retired or otherwise left office. At the Annual Meeting, twelve directors are to be elected to the Board of Directors. On January 20, 2021, we gave notice to the Company of our intention to nominate the following Standard General Nominees to serve as directors of the Company: Colleen B. Brown, Carlos P. Salas, and Elizabeth A. Tumulty. We are seeking your proxy to vote for the election to the Board of Directors of our three diverse, highly qualified and independent nominees —Colleen B. Brown, Carlos P. Salas, and Elizabeth A. Tumulty in addition to the candidates who have been nominated by the Company other than David Lougee, Howard Elias, and Neal Shapiro, for whom Standard General is not seeking authority to vote and will not exercise any such authority. This gives shareholders the ability to vote for candidates to fill each of the twelve seats up for election at the 2021 Annual Meeting. We note that, pursuant to the listing standards of the New York Stock Exchange ("NYSE"), a director is not deemed to be independent unless the Board first determines that such director is independent. Standard General believes that each of its nominees satisfies the independence requirements of the NYSE and TEGNA's Bylaws.

Each of the Standard General Nominees has consented to being named as a nominee in this Proxy Statement and to serve on the Board of Directors if elected. Should the Standard General Parties determine that it is necessary to add nominees in accordance with the Bylaws and applicable law, whether because the Company expands the size of the Board of Directors subsequent to the date of this Proxy Statement or for any other reason, the Standard General Parties will supplement this Proxy Statement. Standard General reserves the right to nominate substitute person(s) if the Company makes or announces any changes to its organizational documents or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any nominee, to the extent this is not prohibited under the Company's organizational documents and applicable law.

Directors will be elected by the vote of a plurality of the shares represented in person or by proxy at the Annual Meeting and entitled to vote on the election of Directors, meaning that the twelve nominees receiving the most votes will be elected. Abstentions and broker non-votes, if any, will have no effect on the result of this vote.

Additional information concerning the Standard General Nominees is set forth in Appendix A to this Proxy Statement.

Other matters to be considered at the annual meeting

According to the proxy statement filed by the Company on March 26, 2021 (the "TEGNA proxy statement"), the following additional matters will be considered at the Annual Meeting:

- to consider and act upon a Company proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the 2021 fiscal year;

- to consider and act upon a Company proposal to approve, on an advisory basis, the compensation of its named executive officers;
- to consider and act upon a Company proposal regarding the elimination of supermajority voting provisions; and
- to transact such other business, if any, as may properly come before the Annual Meeting or any adjournment or postponement of the meeting.

According to the TEGNA proxy statement, the Company's By-laws do not require that the shareholders ratify the appointment of PwC as the Company's independent registered public accounting firm, but the Company is seeking ratification because it values its shareholders' views on the Company's independent registered public accounting firm and believes it is a good corporate governance practice. If the shareholders do not ratify the appointment, the TEGNA proxy statement indicates that the Company's audit committee will reconsider whether to retain PwC, but in its discretion may choose to retain PwC as the Company's independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its shareholders. Standard General recommends that you vote "FOR" this proposal by checking the appropriate box and signing, dating and returning the enclosed **WHITE** proxy card.

Based on information contained in the TEGNA proxy statement, at the Annual Meeting shareholders will be asked to vote, on an advisory basis, whether to approve the compensation of the Company's named executive officers. Information on this matter is included in the TEGNA proxy statement. Amidst a global pandemic, Mr. Lougee's made \$6.7 million – this is the most money the TEGNA board has ever paid a CEO (and Mr. Lougee) and represents a 16% increase over 2019. The Board gave Mr. Lougee a significant compensation increase during a year when (i) core employees were furloughed and employee salaries were reduced (none of which was publicly disclosed to investors at the time) due to the COVID pandemic, (ii) TEGNA's share price declined 15%, significantly underperforming its peers and the broader market, and (iii) the Board reduced compensation paid to the CFO. The Board has not disclosed or provided any detail on the metrics it uses to justify the Mr. Lougee's 16% increase in compensation. According to the TEGNA proxy statement, the approval of this matter on an advisory basis requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes cast on this proposal. We recommend voting "AGAINST" the advisory vote to approve the compensation of the Company's named executive officers.

Based on information contained in the TEGNA proxy statement, at the Annual Meeting shareholders will be asked to approve the amendment and restatement of the Third Restated Certificate of Incorporation (the "Charter") of the Company to remove the requirement of the affirmative vote of shares representing no less than 80 percent (80%) of the voting power of the Company's outstanding shares of capital stock entitled to vote generally in the election of directors (the "Supermajority Voting Requirements") contained therein. Information on this matter is included in the TEGNA proxy statement. According to the TEGNA proxy statement, if approved, (i) future amendments to the By-law and Charter provisions listed in the TEGNA proxy statement will not be subject to the Supermajority Voting Requirement and will instead require the affirmative vote of a majority of the Company's outstanding shares of stock entitled to vote generally in the election of directors as provided under applicable law, (ii) shareholders will not be subject to the Supermajority Voting Requirement to remove directors without cause, and (iii) the approval by shareholders of certain transactions with "interested shareholders" will not be subject to the Supermajority Voting Requirement set forth in the Company's governing documents. Standard General recommends that you vote "FOR" this proposal by checking the appropriate box and signing, dating and returning the enclosed **WHITE** proxy card.

The accompanying **WHITE** proxy card includes the proposal ratifying the appointment of PwC as the Company's independent registered public accounting firm for fiscal year 2021, the proposal regarding the approval on an advisory basis, of the compensation of the Company's named executive officers, and the proposal seeking to eliminate all supermajority voting provisions set forth in the Company's Charter. You may vote for or against, or you may abstain from voting on, these proposals, and the accompanying **WHITE** proxy card will be voted on these proposals in accordance with your instructions thereon. If you do not indicate any voting instruction, you will be deemed to have given a direction to vote the shares represented by the **WHITE** proxy card with "FOR" the ratification of the appointment of the Company's independent registered public accounting firm, "AGAINST" the approval, on

an advisory basis, of the compensation of the Company's named executive officers, and "FOR" the eliminate all supermajority voting provisions set forth in the Company's Charter.

Except as set forth in this Proxy Statement, we are not aware of any other matter to be considered at the Annual Meeting. However, if we learn of any other proposals made at a reasonable time before the Annual Meeting, we will either supplement this Proxy Statement and provide stockholders with an opportunity to vote by proxy directly on such matters or will not exercise discretionary authority with respect thereto. If other proposals are made thereafter, the persons named as proxies on the **WHITE** proxy card will vote such proxies in their discretion.

The participants in this solicitation intend to vote their shares of Common Stock "FOR" the election of the Standard General Nominees, FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for fiscal 2021, "FOR" the elimination of all supermajority voting provisions set forth in the Company's Charter, and "AGAINST" the advisory resolution to approve executive compensation.

The Company has fixed March 12, 2021 as the record date for determining shareholders who will be entitled to vote at the Annual Meeting (the "Record Date"). Shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

VOTING AND PROXY PROCEDURES

How do I vote by proxy?

If your shares are held in your name, you may vote by proxy as follows:

Vote by Telephone — Please call toll-free from the U.S. or Canada the phone number listed on your proxy card and follow the simple instructions provided. You will be required to provide the unique control number printed on your proxy card.

Vote by Internet — Please access the website linked on your proxy card and follow the simple instructions provided. Please note you must type an “s” after “http”. You will be required to provide the unique control number printed on your proxy card.

You may vote by telephone or Internet 24 hours a day, 7 days a week. Your telephone or Internet vote authorizes the named proxies to vote your shares in the same manner as if you had executed a proxy card.

Vote by Mail — If you do not have access to a touch-tone telephone or to the Internet or wish to vote by mail, please sign, date and return the proxy card in the envelope provided, or mail to: Standard General L.P., c/o Okapi Partners, 1212 Avenue of the Americas, 24th Floor, New York, New York 10036.

The telephone and Internet voting procedures use a control number that appears on your **WHITE** proxy card to authenticate you as a shareholder of record and to allow you to confirm that your voting instructions have been correctly recorded. If you vote by telephone or Internet, you do not need to return the **WHITE** proxy card.

How do I vote shares that I hold through a broker, bank or other custodian?

If you hold shares through someone else, such as a broker, bank or other custodian, you will receive voting material from that firm. You can complete the **WHITE** voting form and return it as requested by the firm. If the firm offers Internet or telephone voting, the voting form will contain instructions on how to access and utilize those voting methods. If you hold your shares in a stock brokerage account or by a bank or other custodian, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a “legal proxy” from your broker, bank or other custodian and present it at the Annual Meeting.

What if I plan to attend the Annual Meeting, should I still submit a **WHITE** proxy card?

Yes. Whether or not you plan to attend the Annual Meeting, we urge you to submit a **WHITE** proxy card. Returning the enclosed proxy card will not affect your right to attend and vote at the Annual Meeting.

What if I want to revoke my proxy?

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by (i) submitting a duly executed proxy bearing a later date or submitting a later proxy using the telephone or Internet voting procedures described above, (ii) filing a later-dated written revocation with the Secretary of the Company, or (iii) attending and voting at the Annual Meeting in person. Attendance at the Annual Meeting will not in and of itself constitute a revocation. If you hold your shares in a brokerage account or by a bank or other custodian, unless you have obtained a “legal proxy” from your bank, broker or other custodian, you will need to follow the instructions provided by your bank, broker or other custodian to revoke your voting form or submit a new voting form.

What should I do if I receive a proxy card solicited by the Company?

If you submit a proxy to us by signing and returning the enclosed **WHITE** proxy card, do not sign or return the proxy card solicited by the Company or follow any voting instructions provided by the Company unless you intend to change your vote, because only your latest-dated proxy will be counted.

If you have already sent a proxy card to the Company, or voted for its nominees through telephone or Internet voting procedures, you may revoke that vote and provide your support to the Standard General Nominees by signing,

dating and returning the enclosed **WHITE** proxy card or by following the instructions to vote by telephone or Internet described above.

Who can vote?

Holders of Common Stock as of the close of business on the Record Date will be entitled to vote at the Annual Meeting. If you are a shareholder of record on the Record Date, you will retain the voting rights in connection with the Annual Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares of Common Stock held by you on the Record Date, or grant a proxy to vote such shares on the **WHITE** proxy card, even if you sell such shares after such date.

What is the required quorum?

The holders of record of a majority of the shares of the Common Stock of the Company issued and outstanding and entitled to vote, present in person or represented by proxy, shall constitute a quorum for the Annual Meeting.

What vote is required for the proposals at the Annual Meeting?

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each of the director nominees and one vote on each other matter. The director nominees will be elected by the vote of a plurality of the votes cast at the Annual Meeting. The “plurality of votes cast” means that the twelve director nominees receiving the greatest number of “FOR” votes cast will be elected. Ratification of the selection of the Company’s independent registered public accounting firm, the non-binding advisory vote to adopt the resolution to approve the Company’s executive compensation program requires the affirmative vote of the majority of the shares of common stock present or represented by proxy and entitled to vote at the meeting. Approval of the binding Company proposal to eliminate supermajority voting provisions requires the affirmative vote of the holders of eighty percent (80%) of the voting power of the outstanding shares of capital stock entitled to vote generally in the election of directors. Abstentions, if any, will have no effect on the election of any director, but will have the same effect as votes “against” each of the other four proposals.

IF YOU WISH TO VOTE FOR THE ELECTION TO THE BOARD OF THE STANDARD GENERAL NOMINEES AND THE CANDIDATES WHO HAVE BEEN NOMINATED BY THE COMPANY OTHER THAN DAVID LOUGEE, HOWARD ELIAS, AND NEAL SHAPIRO, FOR WHOM STANDARD GENERAL IS NOT SEEKING AUTHORITY TO VOTE AND WILL NOT EXERCISE ANY SUCH AUTHORITY, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR FOLLOW THE INSTRUCTIONS ON YOUR WHITE PROXY CARD TO VOTE BY TELEPHONE OR VIA THE INTERNET.

If you sign and submit your **WHITE** proxy card without specifying how you would like your shares voted, your shares will be voted “FOR” the election of the Standard General Nominees and you will be deemed to have given a direction to vote the shares represented by the **WHITE** proxy card “FOR” the candidates who have been nominated by the Company other than David Lougee, Howard Elias, and Neal Shapiro, for whom Standard General is not seeking authority to vote and will not exercise any such authority, “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for fiscal 2021, “FOR” the elimination of all supermajority voting provisions set forth in the Company’s Charter, and “AGAINST” the advisory resolution to approve executive compensation.

BY EXECUTING THE **WHITE** PROXY CARD YOU ARE AUTHORIZING THE PERSONS NAMED AS PROXIES TO REVOKE ALL PRIOR PROXIES ON YOUR BEHALF.

SOLICITATION; EXPENSES

Proxies may be solicited by mail, advertisement, telephone, internet, e-mail, facsimile, other media and personal solicitation by the Standard General Parties and by the Standard General Nominees. No additional compensation will be paid to the Standard General Parties or to the Standard General Nominees for the solicitation of proxies. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the Standard General Parties' solicitation material to their customers for whom they hold shares, and the Standard General Parties will reimburse them for their reasonable out-of-pocket expenses.

Standard General has retained Okapi Partners LLC ("Okapi") to assist in the solicitation of proxies and for related services. Standard General will pay Okapi a fee of \$175,000 and has agreed to reimburse Okapi for certain additional fees and expenses and to indemnify Okapi against certain liabilities and expenses, including reasonable legal fees and related charges. Standard General has also agreed to pay an additional fee to Okapi, the amount of which is to be determined, upon conclusion of a proxy campaign. Okapi will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Approximately 45 persons will be used by Okapi in its solicitation efforts.

The entire expense of preparing, assembling, printing and mailing this Proxy Statement and related materials and the cost of soliciting proxies will be borne by the Standard General Parties. To the extent legally permissible, if successful in the election of one or more of the Standard General Nominees, we currently intend to seek reimbursement from the Company for the costs of this solicitation. We do not currently intend to submit the question of such reimbursement to a vote of the shareholders of the Company.

The Standard General Parties estimate that the total expenditures relating to its proxy solicitation incurred by the Standard General Parties will be approximately \$2,500,000, approximately \$48,500 of which has been incurred to date. Such costs do not include legal fees and expenses in connection with any potential litigation. The cost of the solicitation will be borne by Standard General and its Investment Vehicles. Reimbursement may be sought from the Company. Any such reimbursement, if sought, will not be submitted to a vote of security holders.

If you have any questions concerning this Proxy Statement or the procedures to be followed to execute and deliver a proxy, please contact Okapi at the address or phone number specified above.

4. After signing the enclosed **WHITE** proxy card, do not sign or return the Company's proxy card unless you intend to change your vote, because only your latest dated proxy card will be counted.
